Academy of the Holy Family

FEATURED ITEMS

Through the tough times of this pandemic, we have remained family and strengthened our bonds through faith, hardwork, and community.

OCTOBER

OUR SCHOOL

Last week, our seniors headed out to take senior informals while the underclassmen took the PSAT, and the freshmen made some baked goods for a fundraiser.

The class of 2021 had a great time spending the day dancing and snapping pics together. Later that evening, the entire school headed out to take pictures at the same location. At our school, friends really do become family.

OTHER EVENTS

This month, the Academy celebrated its 146th birthday! Student council hosted several events in honor of this outstanding accomplishment. October 20th was the Day of Silence for the TOP-life club in reflection of the beauty and value of all God's children.

October 28th will be TOP-Life day where TOP-Life club hosts a series of talks, discussions, and games to educate and celebrate the pro-life community. October has been a busy, yet rewarding month for the girls at the Academy.
