JUNE 2021 NEWSLETTER

## REBECCA BENIN

*Sophomore*

This summer, I am very excited to start my first “real job” working at a pizza restaurant. I am also planning on going to the beach and seeing as many of my friends and family members as I can. Once the next school year starts, I will continue to be involved in our clubs, as well as enjoying the new activities that will become available as COVID restrictions begins to lift. I am also so excited to meet my new classmates! As an Ambassador, I can't wait to be one of the first smiling faces new students will see as they are welcomed into the Academy. I hope to help make their transition as smooth as possible and make all the girls feel at home :)

## ISABELLA WRIGHT

*Senior*

Next school year, I'll be a senior at AHF! I really plan on focusing on my studies as well as enjoying my last year of high school. I'm so excited to be an Ambassador. I can't wait to welcome new people to the Academy and help them navigate the new environment. I know how difficult the transition can be, so I think I'll be able to help my mentee as well as any other new students. This summer I'm going to be outside with my friends and I'll be taking the SAT. I really hope Covid-19 cases go down so life can go back to normal.

# YASMIM SOUZA

*Senior*

I'm planning to put some of my projects to work in the next school year. I hope they really can have a good impact at our dear academy. Through the Ambassadors club, I hope to help the new students in the adaptation process and make them feel welcome to AHF. My summer will definitely be a busy one in terms of study, but I look forward to learning how to play a new instrument or to test some vegan recipes... Wish me luck : D

# CLARA LOPEZ

*Sophomore*

This summer, my family and I have planned a road trip to Yellowstone National Park! I really hope that we get to see the geyser, Old Faithful, erupt. I'm also planning on visiting some family and friends that I haven't seen since last summer. Even though the break just started, I can't wait until we are back at school again. For the next school year, I plan on joining the softball team and maybe even the soccer team. I am very excited to help my mentee as well as other new coming students with their arrival to AHF. I will do my best to help them feel as welcomed and comfortable as possible. I can't wait to see what next year holds for all of us!
